Description:

Blackout sticker for your windows and bathroom!

This **blackout and private window sticker** measures **H40 x W200 cm**.

Window sticker - Private translucent frosted sticker for glass and windows

Bubble free - Easy installation without air bubbles

This **frosted blackout sticker** lets in a soft, diffused light for more comfort in your interior. It limits visibility through the windows and thus provides security and privacy, while decorating your home. It also prevents face-to-face window day and night.

Once applied to a window, this **sticker**:

- will absorb 15% of visible light
- will transmit 85% of visible light

Installation advice:

- 1/ Cut the length needed (take a little wider)
- 2/ Strongly moisten the glass
- 3/ Peel off the **sticker** from the backing paper and position it on the wet glass
- 4/ Scrape from the center outwards to remove water and air bubbles
- 5/ Humidity allows it to be moved for a perfect position
- 6/ Let dry
- 7/ Cut the strips protruding from the glass with a cutter

Lifespan: 5-8 years
